# **Envision 2017**

Envision is an all day workshop held at the University of California, San Diego geared towards the advancement of women in the STEM fields. We encourage girls to strive for higher education in Engineering and other science and math based majors, providing guidance and mentorship to these ambitious young ladies. Envision offers hands-on engineering activities and a chance to learn about student projects at one of the nation's top research institutions.

**When: February 25, 2017, 9:00am - 4:30pm**  
**Where: University of California, San Diego**  
**Sign ups will be open November 1st!**
