Senior Bulletin 2017-2018

COLLEGE ENTRANCE EXAMS: The SAT or ACT (with writing) exam is required by most four-year universities. Fee waivers are available for students who qualify for the school free/reduced lunch program. Please see Ms. Niemeyer in the Counseling Center for the fee waivers.

COLLEGE PRESENTATIONS/COLLEGE AWARENESS: All year, college presentations are ongoing! Please listen to the Bulletin and sign up in the Counseling Center for informational meetings from a wide range of universities, colleges and vocational schools. College Awareness Day is every Thursday! If you can, wear your favorite college gear every Thursday☺

COLLEGE WEIGHTED GRADE POINT AVERAGE: Depending on the university, the college weighted GPA typically begins in the 10th grade and is based on the A-G requirements. When applying to universities and colleges, each university completes their own calculations, so pay attention to their requirements as they change annually. The GPAs listed on your transcripts are estimates..

COMMUNITY SERVICE: 30 hours of community service are required for graduation. However, if you are interested in attending a four year university, you will need many, many more hours (100+). Start working on those hours now. Do not procrastinate!! For more information on volunteer opportunities visit www.volunteermatch.org

COMPACT FOR SUCCESS: For guaranteed admission to SDSU, you must meet all of the benchmarks: continuous enrollment in the district, 3.0 or higher CSU GPA, satisfy the ELM/EPT, take the SAT/ACT, and complete all the "a-g" courses with a "C" or higher. The CFS program does not apply to certain impacted majors.

CREDIT RECOVERY/APEX online learning: If you received a D or F in an academic course, see your counselor to discuss APEX online learning, summer school or credit recovery. **1)** If you failed an academic class, you need to repeat that class for graduation **2)** If you received a D and you are interested in attending a four-year university, you need to repeat that class. D's are not accepted at a four-year university.

PRINCIPAL'S HONOR ROLL: Students must have an overall weighted GPA over 7 semesters of a 3.75 (starting in 9th grade through first semester of 12th grade). Students must also take at least two Advanced Placement (AP) courses within their four years of high school. Further, students can only have one D or F in citizenship in seven semesters of High School. Students also must have at least 100 hours of community service completed.

PE FITNESSGRAM: Students who are in PE Fitness and Conditioning need to pass the Fitnessgram this year. If you do not pass it, you will be required to take an additional year of PE.

SCHOLARSHIPS: Updated Bulletins are posted on our ELHS website. Copies are also available in the Counseling Center. For more information, see Ms. Robles in the Counseling Center.

THE WESTERN UNDERGRADUATE EXCHANGE (WUE): Students who are residents of WICHE states are eligible to request a reduced tuition rate of 150% of resident tuition at participating two and four year college programs outside of their home state. For information, please visit: <http://wue.wiche.edu/>
